The Stilolinea recycled collection, BARON 03 offers a wide choice of 12 new colours, with 100% recycled ABS plastic from Europe. These chromatic shades are inspired by "Nature" and specifically by the wonders of all our planet's continents, that need to be safeguarded. The matt surface, even to the touch, perfectly enhances the perception of an Eco-Friendly product. As always, everything produced in our factory is with the highest quality: Made in Italy!
